

Went Well

+

95% for sprint 1, good work everyone

Considering busy midterm/deadline week, we worked well

×  5  0

Finally getting a grip of vuexy for frontend implementation

 3  0

UI design and prototypes

Back on track with the UI prototypes

 3  0

backend work went well

 2  0

To Improve

+

Start working on stuff earlier, don't wait until the last minute

frontend work can start sooner

Sprint 3 is going to be a lot more user stories, so make sure to start early now that we have the UI prototypes all done ahead of time

×  8  0

Inform people when something assigned to you is taking longer than X days

update jira ticket to make sure we are all on the same page

make more commits so we can see progress

×  6  0

When having trouble, seek for help

When free ask if someone needs help

 5  0

Action Items

+

@everyone start working on user stories earlier in the sprint instead of backloading everything until the end.
